

Rating the innovations worksheet

Power Smart for Schools

Colour or shade in the boxes to rate each innovation. Remember to support each rating with evidence.

Innovation	Desirable				Feasible				Effective				Overall rating			
Bidirectional chargers	low			high	low			high	low			high	low			high
	Supporting evidence				Supporting evidence				Supporting evidence				Supporting evidence			
Wireless power	low			high	low			high	low			high	low			high
	Supporting evidence				Supporting evidence				Supporting evidence				Supporting evidence			
Solar charging	low			high	low			high	low			high	low			high
	Supporting evidence				Supporting evidence				Supporting evidence				Supporting evidence			
Extreme high-speed chargers	low			high	low			high	low			high	low			high
	Supporting evidence				Supporting evidence				Supporting evidence				Supporting evidence			
Autonomous robotic charging	low			high	low			high	low			high	low			high
